

LONDON

Securing the Global Supply Chain

Driving resilience, intelligence sharing, and end-to-end asset protection across international trade networks. Connecting Supply Chain Security Leaders Worldwide.

SUMMIT OPENING & ACKNOWLEDGMENT

Welcome Supply Chain Protection Leaders, Risk Executives, Law Enforcement, and Global Security Practitioners to the ISCPO Summit!

SPECIAL THANKS TO OUR HOST

Extending sincere gratitude for hosting the ISCPO Summit and advancing security innovation across global enterprise supply chains.

The Member's Journey

Information: access to resources, best practices, and industry benchmarks

Community: peer networking, working groups, and cross-border collaboration

Growth: education pathways, certifications, and leadership opportunities

Impact: members contribute to shaping global supply chain security standards

Preferred Partner Journey

Strategic Alignment: partners join ISCPO to support secure, compliant, efficient supply chains

Joint Innovation: opportunities to showcase solutions, research, and innovation

Collaboration: joint initiatives, pilot programs, and thought-leadership contributions

What's Next for ISCPO?

Education & Certification

Expanding educational partnerships and certifications.

Cyber Crime Defense

Tackling digital cargo fraud, GPS spoofing, ransomware, and IoT vulnerabilities.

Global Membership Growth

Scaling European presence to unify supply chain security professionals.

JOIN THE MOVEMENT

Strengthening Supply Chain Security Resilience Together

- Join the movement to elevate supply chain security across UK and Europe
- Engage with ISCPO programs, committees, and partner opportunities
- Invest in continuous learning to stay ahead of emerging threats
- Build a safer, smarter, more resilient supply chain ecosystem together

Thank you for participating in the ISCPO London Summit. Let's collaborate to protect global assets.
